A.A. Principles

Step 1: We admitted we were powerless over alcohol — that our lives had become unmanageable.

Tradition 1: Our common welfare should come first; personal recovery depends on A.A. unity.

Words from Bill W.:

Prudence is a workable middle ground, a channel of clear sailing between the obstacles of fear on the one side and of recklessness on the other. Prudence in practice creates a definite climate, the only climate in which harmony, effectiveness, and consistent spiritual progress can be achieved.
