A.A. Principles

Step 9: Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition 9: A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Words from Bill W.: For just so long as we were convinced that we could live exclusively by our own individual strength and intelligence, for just that long was a working faith in a Higher Power impossible.
